Beloved Ones, so earnestly helping to purify the Earth and Its evolutions, I offer the words of Lord Zadkiel, Holy Amethyst, and the Ascended Master Saint Germain to you. Ponder on these words and bless this instruction by giving to it your life.

Love and Blessings,

ARCHANGEL ZADLIEL.

"I AM" Zadkiel, Archangel of the Seventh Ray, come into the atmosphere of Earth at the request of unascended lifestreams who wish to learn how to use the power of their own creative centers of thought and feeling, spoken word and action in redeeming misqualified life.

As you have become acquainted with the activities of the Angelic Host and as We have returned again and again into your midst, We have brought to you more and more of Our feeling of accomplishment and of the feeling of Our reality as Intelligent Beings serving along a specific line and yet willing at a moment's notice to use all of that specialized service to complement the activity of another Ray which is for that cosmic moment requiring assistance or development. Of course Those of Us Who are privileged to serve upon and represent the Seventh Ray are serving in Our natural element in this two thousand year cycle, under your Beloved Ascended Master Saint Germain. The Great Arcturus, The Beloved Diana, Beloved Holy Amethyst, Beloved Portia - all of Us Who serve on the Seventh Ray - will become more and more active in the spiritual affairs of mankind and in the spiritual affairs of all life pertaining to the Earth during this cycle. You will begin to see in every outer manifestation more and more reference to the Violet activities of life; to the Violet clothing in the world of fashion; to Violet in your atmosphere, in your sunrises and in your sunsets; to the activity of Violet that will begin to externalize through the very substance of the Earth.

You shall see, as the Golden Age of the Beloved Saint Germain intensifies and increases in its outpouring, that, that manifestation of Violet will be very, very evident and of course those who are clairvoyant and who are able to see with the inner sight are already cognizant of the tremendous radiation of Violet Fire that flows from the heart of the Earth through Its atmosphere to Its very great periphery; and how much of that Violet Fire has been anchored in, through and around individuals who have become cognizant of It and have invoked Its use according to their abilities and which is a blazing pillar in, through and around those lifestreams constantly.

Beloved ones, everything that We tell you happens at the inner levels first and then, if you are alert, you will see the manifestation in the world without. Therefore, I say to you as We are entering into the Age of Ceremony, the Age of Conscious Invocation by the trained Priesthood under the Ascended Master Saint Germain; as We are entering into the Age when the Angelic Host, human kind, Elemental life and the Divine Beings, the Cosmic Beings will all walk and talk together with no veil between, you will see more and more that as the veil of maya, which is mostly gray and off shades of black, is dissolved the activity of the curtain of maya will become a light mauve first and then as that clears it will become a more lovely light shade of Violet and then through that will be distinguished the outline first and then the figures of the Divine Beings whom you have desired to see so long and whom you have desired to know through an actual contact in the world of form. Although We have made contact with you many, many times through feeling and through radiation, there is a certain acceptance when the sense consciousness is allowed for a moment to rest upon manifest Divinity. Toward that end We are serving constantly, dissolving as much of that veil of maya as is possible and helping you when you make your calls to Us to dissolve from your side that veil of human creation as well.

Beloved ones, I saw that veil of human creation as it was spun forth out of the minds and consciousness of people ages ago and it is a great joy now to see that the

same veil is being dissolved by the self conscious application of unascended individuals. I congratulate you for being a part of this tremendous service to life and I am truly grateful that life has privileged Me to remain and bring again into the physical substance of Earth a replica of that Temple in which I serve and in which many of you served with Me so long ago and which is honored tonight.

The Temple of Purification, when it was physically manifest on the continent of Atlantis, was well known over the length and breath of all the landed surface of the entire planet, not only the Atlantean continent. The Priests and Priestesses in that Temple and the associate Temples drawn around it were well trained in the powers of conscious invocation. Many of you, having been through a good deal of that training, came naturally into an acceptance of the Beloved Ascended Master Saint Germain's endeavor to secure the assistance of unascended lifestreams who through visualization, song and decrees desire to cooperate in bringing forth the Kingdom of Heaven on Earth more quickly.

Now in the Temple of Invocation, the Priests and Priestesses of My Order are trained in the activity of the Triad. The Triad is a very important unit in the power of Invocation. When that Triad is in perfect balance the upper point of it should be Love. We trained the individuals in the manifestation of their Power, which would be the left side of the base of the triangle and by instruction in the development of their Wisdom and Understanding which would be the right side of the base of the triangle, they then created the top of the triangle the pole of Love, which was the point of the aspiring community or individual invocation. That Love is a natural magnet for the descent of the triangle from Above, likewise the Power and the Wisdom being the top part of the upper triangle and Love the point that comes down. So where the two activities of Love meet, mingle and blend, there is always a tremendous outpouring of blessing that takes place.

In the days of Atlantis many individuals had developed great power; they had developed it in the Lemurian Age; they had developed it on other planets; and they had developed a great intellect prowess as well and they began to use those two facets for the invoking of certain activities, but they could not use the activity of pure Divine Love unless the motive was heart sincere. No one belonging to any evolution, no part of life, can use the perfect triangle with pure divine Love as its crown unless that one in heart and spirit is sincere in the desire to bring into imprisoned life more of freedom. So there is a protection in the true Priesthood, the Priesthood on Atlantis, the Priesthood on Lemuria, the Priesthood that will come forth in the world again as you develop your own God Mastery. There is always that protection when you cap all of your invocations - whether they are songs, whether they are visualizations, whether they are worded decrees, when they are capped with a feeling of Love then they form a perfect triangle that rises high into the atmosphere and pierces through any riptides of human creation, connecting with the vibratory action of the Divine Beings Whom you are invoking and drawing the assistance of those Beings into the conditions that you feel require assistance of any kind.

Beloved ones, I cannot describe to you completely how different is the method of invocation developed by any group who have worked closely together. Looking tonight over the entire planet and seeing the groups gathered together, each giving acknowledgement to the Temple of Purification in their own way, I can say that the peak of the application of some of the groups is rounded and then where there are very powerful groups and there is good energy in the singing and decrees, those peaks of application are those perfect triangles of which I speak that go much higher into the atmosphere. But the mercy of the Law is such that the highest peak reached by any one group is utilized as a channel and, through that group, is poured the radiation back to bless those whose maximum application is not as great as that of another group who has been trained so long in invocation and in service.

Thus it is again that others reap where you have sown but in reality you are the greatest beneficiary because as you have practiced this power of invocation and as you have developed it within yourself you can almost instantly pierce through any creations that seem to be distressing wherever they appear on the Earth's surface and get an immediate response through using the full gathered momentum of your application to date.

Beloved ones, the power of invocation cannot be stressed too much with regard to the conditions of your Earth and Its evolutions at the present time.

Now dear hearts, the Beloved Holy Amethyst Who is with Me tonight would like to give to you Her feeling of the Love that is within the Violet Fire. So I am going to allow My Beloved the opportunity of speaking with you .....

HOLY AMETHYST

Beloved ones, loving life free is the greatest service that there is in this universe and that is My reason for being, to embody the mercy of your Father God and your Mother God that has not allowed ANYTHING evil to be permanent. Think of the mercy of that - no word, no thought, no feeling, no action that you have ever sent forth that is less than God's beauty and perfection shall ever remain as a permanent record in your own worlds or in that of this planet. Think on the mercy of Life in the impermanence of evil and the permanence of Divinity! And think on the mercy of Life that allows Me and that allows you, too, to continue to use the merciful Flame of Violet Fire to change the quality of imprisioned life into a vibratory action that is harmonious and happy. Wherever you see that appearance of imperfection, rather than registering a distaste for it, oh FEEL WITH ME the joy it is to impersonally call already GOD QUALIFIED ENERGY into, through and around that person, that place, condition or thing and ask that intelligent Violet Fire or anyone of Us that represents this Ray to change that quality of energy into a harmonious, beautiful and happy quality and GET THE JOY that comes when you ALLOW life, through you, to set other imprisoned life free! If you can learn to do this dispassionately and joyously, without sense of tension or strain (both of which are forms of doubt) THEN beloved ones you will KNOW something of the happiness that I feel in the capacity of mercy bringing this Violet Fire wheresoever It is invoked and utilizing It always, and always this activity releases a feeling of happiness, gratitude and bouyancy, as It blazes around the electronic substance that makes up every living thing, human bodies or so-called inanimate objects and just changes the vibratory action by quickening the motion of the electrons that make up the atoms, dissolving the shadows that are within the electrons and letting PURE, PURE LIGHT expand as God intended.

I thank you for feeling that as I have blazed it through My Own hands and Presence this night, I have felt it blazing through your own forms as you are seated here before Me and I ask that that Ascended Master <u>feeling</u> of the buoyancy that is within this Violet Fire may remain with you, that your own Holy Christ Self may CHARGE IT THROUGH YOU at will and that whenever there is a tendency to depressions or anything that is less than Ascended Master Harmony, I ask your Holy Christ Self now Which is intelligent and is all-powerful to re-charge through you that feeling of buoyancy and happiness in the use of this Violet Fire.

The Beloved Saint Germain is so eager for you to see It, so eager for you to have Its action manifest INSTANTLY upon your call, so that you know It is a science and then when you have developed the acceptance in your feelings of It as a science, it will be much easier to utilize It time and time again and gather the momentum and power in Its use! XX

Beloved Zadkiel is very magnificent tonight. He is robed in garments of deep Royal Purple, significant of course of His Office as the Prince of the great Retreat which opened on the fifteenth of this month. He wears the seven-pointed Crown upon His head, symbolic of the Archangel of the Seventh Ray, and He has beautiful amethysts on the forefingers of each hand. He has been entertaining many, many Beings from other spheres as well as the Earth sphere since the opening of the Retreat. The Retreat Itself is similar to that of the great Archangel Michael, Our Beloved Friend and Our great Prince. It is circular in design and is composed almost entirely of amethysts encrusted in gold. It is tremendous in size and It has, as Lord Michael's Retreat, four entrances- North, East, South and West - all four of which have been opened since the fifteenth of October so that the Divine Beings might enter and have audience with Beloved Zadkiel and the Beloved Ascended Master Saint Germain and Lady Portia, Beloved Kwan Yin and Those particularly concerned with the establishment again of the Order of Lord Zadkiel upon the Earth.

tonight
Now/in the atmosphere over Cuba, the great ampitheatre is in the shape of the Temple Itself, only it is very, very much larger. It extends particularly around the Atlantic Ocean, the eastern seaboard of your United States and the European coastline. We are endeavoring to give a particular purification right down through the sea itself to the Atlantean continent. It is interesting to note that two or three of those cities that belonged to Atlantis in Her prime are being raised from the ocean's floor and I believe your Beloved Saint Germain's promise will be fulfilled in the not too far distant future. We are hoping that this will come about in as equally unostentatious manner as the axis change continues. The people who lived on Atlantis and who are in embodiment now are all very much aware of the Atlantean vibration. These people are not of course all under the direction of the Ascended Master Saint Germain at the present time but whatever their spiritual field is, they are feeling the Atlantean vibration and of course, as has been described to you, some of those were not particularly wholesome. Therefore, We are coming in with greater and greater numbers of the White Order and of the Violet Fire Beings from Our side of the veil to help you who do represent the White Order in physical embodiment. Of course there are being brought into embodiment as quickly as possible more and more of those strong and trained lifestreams who know something of the power of invocation and the beautiful cermonials that accompany it. It takes of course a great refinement of the nature, a great development of the emotional self and mental vehicle and a great purity of the etheric vehicle and a great sensitivity of the physical vehicle in order to magnetize through the ceremonials of the Beloved Ascended Master Saint Germain those subtle currents which He has prepared and which will come as vehicles are so provided to render these beautiful services for Him.

The Angelic Host are wonderful, wonderful examples for anyone who is able to see with the inner eye the magnificence of the cermonies on any one of the Seven Rays. The Seventh Ray is Predominantely a ceremonial activity. So We have had many ceremonies from October fifteenth up to the present day and We are continuing to have the ceremonies until November 14, 1957. Beloved Zadkiel taking charge in the center of the Temple is standing before the altar where burns the beautiful Violet Fire and the Beloved Lady Master Kwan Yin is standing with Him, in order that I may give the description to you. She wears as always an exquisite purple gown. She has Her hair piled high on Her head with a small golden flame flower in the comb which is on the top of Her lovely hair.

Beloved Sanat Kumara and the Beloved Lord Gautama entered the Temple an hour ago. They are seated before the altar, facing it, and They are Both contemplating the magnificence of the Violet Fire and invoking the presence of that Violet Fire through this ceremony to enter into the feelings of the peoples everywhere. The other Archangels of course have gathered and with Them, They have brought Their Angelic Courts. The Beloved new Buddha, your Friend Lord Maitreya, is present. They are all wearing magnificent Violet Robes. Sanat Kumara, of course is robed in Royal Purple and then Gautama's robe is a little lighter in color. The colorings of the garments which They wear denote Their length of Office and service on the Ray. The Beloved Lord Maha Chohan and the Chohans are also in Violet, various shades, or They wear white with a deep Violet band around Their garments. They come with Their Own particular chelas - the Temple is large enough for all who are conscious chelas to accompany their Masters. In the atmosphere above, the individuals from the former compound, the sleepers realm and the discarnates of course are gathered. Then as We begin the activity of the expansion of the Flame, these great Beings Who have been honoring It and pouring Their Light into It, will add the pressure of Their feeling of Its reality and then that will go forth on your breath into the emotional, mental, etheric and physical bodies of all mankind everywhere. I am very grateful indeed to be a part of this breathing exercise and to be a part of the conveying to you that feeling of BUOYANCY that is within the use of that rhythmic breath.

Now there are times when you do not require the activity of buoyancy with the energies of your world; there are times when you desire to rest and to sleep, so use discretion always in the magnetizing of the virtues, qualities and the rays of the Divine Beings and magnetize before sleep the golden ray of peace and wisdom and the pink ray of love and then when you are ready to set about the activities of your day, magnetize the activities of Beloved Morya, the Will of God TO DO, and the great activity of the

Ascension Flame, the activity of the Concentration and Consecration Flame, the activity of Our Violet Flame, and use the Love Flame, the Peace Flame and the Illumination Flame for your tranquilizing hours. They are activities, beloved ones, that are real and as you experiment with them you will find that if you use a stimulating flame and call a Cosmic Being or Ascended Master to render that service through you, you will be stimulated by it, because that is the activity of that particular flame. I can assure you that the Violet Fire as you are within It tonight is an activity of stimulation of your inner and your physical vehicles.

end To Vol-6-#4.

BELOVED SAINT GERMAIN:

It is always My privilege, My great honor, to speak to these dear ones of My Heart. I thank You, Blessed Amethyst and great Lord Zadkiel; I thank the beloved people of Earth who have belief in the efficacy of the Violet Fire and I ask you with all My Heart's love during this month when We have the attention of the chelas upon the Violet Fire and Lord Zadliel's activity of invocation, to please accept your Sponsor Who is a magnificent Gentleman of Violet Fire from the Flame of Purification into your worlds and into your consciousness. This Being of Light is real and will render for you that service of intensifying your ACCEPTANCE of this Violet Fire and your USE of this Violet Fire in your individual worlds, so that when We come to Shamballa, you can say honestly, and I can say for you, that you have learned in Nineteen Hundred Fifty Seven to take the Sceptre of authority, use that Violet Fire consciously, see the efficacious results in the changing of the quality of energy from discord into harmony and you bring in a harvest as great as that of the Angelic Host. The Angelic Hosts' harvest was very great in Nineteen Hundred Fifty Seven. The Elemental's harvest is to be increased by Those of Us Who feel for them their suffering at not being able to manifest the full perfection that they desire in the world this year but We have until the end of October at which time the Elementals must present Their harvest. Lord Michael and All of Us Who are interested in loving life free have promised to help them because they do not like to come in with a small harvest, any more than you do. Then the human beings, or those wearing physical forms, will be bringing in their harvests -"bringing in the sheaves" you know - to Shamballa and I would like so much to have every student, every blessed chela, who has believed that I AM, who has used My Name, who has been a part of My Endeavor, to bring a personal harvest of learning the SCIENCE of the use of the Violet Flame!

It is a magnificent sight, beloved ones, tonight in this great Temple and I know that when you place your bodies to sleep and you come in the fuller freedom of your inner bodies to visit this Temple, you will enjoy all of the magnificence that has been held here in the etheric realm since the days of Atlantis. Many of you take up your places in the same exact spot where you stood when you were Priests and Priestesses in that Temple centuries ago. You automatically go to that spot to make your application.

I thank you; I thank the Beloved Zadkiel and the Beloved Amethyst tonight; Each and Everyone Who has contributed to making possible the opening of this Retreat for the first time and may Its great Light now envelop this Earth. Thank you!

Dear friends:

We thank and bless you for your splendid cooperation and financial assistance, in making it possible for us to bring forth the Masters' instructions for the Earth and Its evolutions at this Cosmic moment.
